

**Social Media Post Template 1:** The Mayor's Challenge for Kids is here! #BGCMCFK2021 is an 8 day virtual exercise challenge where participants will walk, run, or bike a 5K, 10K, or Half Marathon. This challenge is being completed to help raise funds for summer programs at the Boys & Girls Clubs of Inland Valley.

I am participating in the Mayor's Challenge for Kids because I know how important it is for youth to have a safe place with caring mentors. This summer, kids at the Clubs will participate in enrichment programs, summer learning loss, and fitness programs. Kids need it now more than ever. Donate to my fundraiser to provide summer camp programs for over 100 youth.

**Social Media Post Template 2:** I'm (walking, running, or biking) today to support youth at the Boys & Girls Clubs of Inland Valley. Join me by participating in the challenge or donating to my fundraiser! **Post picture or video of you participating!**

**Social Media Post Template 3:** This is the last day of The Mayor's Challenge for Kids to help support @InlandValleyBGC. Click the link below to view to help support our team/my fundraiser. #BGCMCFK2021
